## What's new at St. Louis' libraries?

From the county to the city, here are noteworthy updates at a handful of branches.

COURTESY OF KIRKWOOD PUBLIC LIBRARY

The new Children's Room at Kirkwood Public Library was made possible by a \$725,000 donation.

Libraries in St. Louis are many things: stacks of colorful books for little ones, free computer use for those without a personal machine, a convenient well of resources and information. Here are noteworthy updates at a few branches in the metro area—among them, a renovated children's room, solar telescopes, and more.
